PARK UPDATES!

NEW PLAYGROUND

Unfortunately, the recent election and storms have stalled progress across many city departments, including the Houston Parks & Recreation Department (HPARD).

However, we've just received very exciting news that **Mangum Manor Park has been assigned a Liaison** to begin progressing our playground replacement! They have **plans to work with a playground vendor on designs** fitting our park layout **and with the City's Strategic Purchasing Department on procurement activities.**

While we currently don't have any timeline commitments, the Civic Club Board will be regularly connecting with our Park Liaison and hopes to share further updates in the upcoming weeks!

TREE PLANTING

Be on the lookout for **Trees for Houston (TFH)** volunteers, who will be out **planting 50+ trees throughout the park on October 4th!** Swing by to share our appreciation and take pictures to post on the Mangum Manor Park Friends Facebook page.

If you'd like to give back to TFH, visit TreesforHouston.org to donate or volunteer for other future tree planting events. And let them know you're from Mangum Manor Park!

STORM CLEANUP

Cleanup from the recent storms is slow but ongoing. Coordinating with different crews takes time, as parks all over the city have been impacted. All downed trees have had 311 requests filed and assigned. Be sure to show your appreciation to City crews working out in the heat! They may be dealing with the same mess in their own neighborhood. Stay tuned as we continue to assist in the debris clean-up.
