Neighborhood Updates

Deed Restriction Updates

Attention Section 1 Neighbors,

The Civic Club is addressing an issue in our deed restrictions, and we need signatures from at least half of the property owners in [Section 1](#) to resolve it. Despite bringing this up at board meetings and going door to door, we are still short of the required number of signatures to file this change.

You can read the amendment at the following link on MM website mangummanor.org/media/sec1_ammend.pdf

What's the deal? SUMMARY: There are currently two copies of the [Section 1](#) deed. One copy has no height story limit on houses. Our amendment sets the story limit at two and removes the redundant documents.

If you have any questions, please feel free to contact us. If you are unsure which section you live in, please refer to the map below. The blue area is [Section 1](#).

Thank you for your attention and cooperation.

Please email me to arrange a meeting for your signature, and please talk to your neighbors about it.
